

Submission Form – Long-Term Plan 2024-34

Darbycia
11/5/24

For Council use: submission number

1190

Note to submitters

You do not have to answer every question. You can make a general submission or submit on matters not included in the consultation document by completing the other comments section at the end of this form. If you need extra space for your submission use additional paper (please include your name on additional sheets).

All submissions will be considered by Council before making a decision.

Anyone can make a submission. All submissions, including the names and contact details of submitters, are publicly available, as required by the Local Government Act 2002.

Submissions will be used only for the purpose of this consultation process.

Submissions close at 5pm on Thursday 2 May 2024. All submissions need to be returned to the Council Rolleston office or one of our four libraries and service centres by this time to be considered. Any submissions received after this time will not be considered.

Are you submitting on behalf of an organisation?

☐ Yes ☒ No

If yes, please state the name of the organisation*

Do you wish to attend a hearing to present your submission in person?*

☒ Yes ☒ No

Our Big Decisions

1

What is your view on building three new Park and Ride facilities in Lincoln and Rolleston and upgrading bus stops?

- ☐ Only carry out the work if the Council receives co-funding from NZTA Waka Kotahi.
- ☐ Carry out the work regardless of co-funding.
- ☒ Delay the work until the next Long-Term Plan when funding options might be clearer.

Any other comments?

2a

What is your view on delivering Whata Rau?

- ☒ Do not build Whata Rau. Carry out necessary repairs to the existing Leeston Library & Service Centre building so that it can continue to be used for a limited time instead.
- ☐ Build Whata Rau as agreed in our 2021-31 Long-Term Plan, using the design already completed to meet the needs identified by the community.
- ☐ Build Whata Rau with additional sports courts and/or bigger community meeting spaces.
- ☐ Build Whata Rau, using a more standard, simplified design with the same floor space and cultural narrative, but without the same flexibility to meet the needs already identified.

Any other comments?

2b

What is your view on upgrading Leeston Park?

- ☒ Do nothing. Only carry out routine maintenance to replace old and unsafe items.
- ☐ Extend the playing fields and upgrade the car park playground equipment, footpaths, toilets, lighting and irrigation.
- ☐ Carry out the full Leeston Park Master Plan over 15 years.

Any other comments?

3

What is your view on delivering a new sports and recreation facility for Malvern?

- ☐ Do not build a community recreation and sports facility at Darfield.
- ☒ Build a community recreation and sports facility at Darfield that includes one indoor court.
- ☐ Build a community recreation and sports facility at Darfield that includes two indoor courts.

Any other comments?

Be original for a change
and not call it a maori
name.

Matters for Community Guidance

Sheffield Pool

The Sheffield Memorial Pool is used by less people than our other community pools and is 10 minutes' drive from the newly upgraded Darfield Pool. The pool will cost \$1 million to keep open or \$290,000 to close. We're proposing to close the pool.

Do you support the closure of Sheffield Pool?

☐

Yes

☒

No

Economic Development

We're proposing to play a more active role in our district's economic development. We have budgeted \$9 million over 10 years to support the Economic Development Strategy we have co-design with Selwyn businesses.

Do you support the continued development of an economic development strategy?

☐

Yes

☒

No

Digital Solutions

We are proposing to explore the most effective technologies that could assist us to do our best work for the community.

We've budgeted \$1.3million a year to do this, with the costs to be reconfirmed through each annual plan as the work progresses.

Do you support the Council investing in better technology solutions to improve our services to the community?

☐

Yes

☒

No

Policies

What is your view on the proposed changes to the Significance and Engagement Policy and financial policies outlined on pages 54-55 of the consultation document?

Other comments?

You can provide comments on any other matters in our draft Long-Term Plan, including the projects in the Keeping Your Community Informed section on pages 44-51 of the consultation document.

Give us pure water without nitrates chlorination or fluoride.
Footpaths on Crozier and Windsor Drives in Kirwee.
Sealing of Hoskyns Road from Kirwee to SH73. I oppose speed reduction on Selwyn roads. Cycleway from Rolleston to Darfield.
Climate change is a CON. Why do Maori need to be involved with all decision making?

Our Big Decisions

1

What is your view on building three new Park and Ride facilities in Lincoln and Rolleston and upgrading bus stops?

- ☐ Only carry out the work if the Council receives co-funding from NZTA Waka Kotahi.
- ☐ Carry out the work regardless of co-funding.
- ☒ Delay the work until the next Long-Term Plan when funding options might be clearer.

Any other comments?

Funding the projects by way of increased rate when many rate payers are struggling with huge cost of living crisis IS NOT an option. Building such facilities is outdated and not future-proof, just like the content of the proposed long-term plan for 2021/22 is yesterday, except for the investment in IT. Try and project into the future and see what 10 years from now, what the future is like. Look to countries like China and they and work towards a future world that the future generations will thrive. Singapore is another example.

2b

What is your view on upgrading Leeston Park?

- ☒ Do nothing. Only carry out routine maintenance to replace old and unsafe items.
- ☐ Extend the playing fields and upgrade the car park playground equipment, footpaths, toilets, lighting and irrigation.
- ☐ Carry out the full Leeston Park Master Plan over 15 years.

Any other comments?

The existing park requires ongoing maintenance for the enjoyment of the residents, and is far from passing its use-by date, so no upgrade of any kind is necessary, or justified. And funding through borrowing isn't an option, for you will incur debts for the future generation who in future won't want or need the facilities, as you can't crystal-gaze to predict where they want.

2a

What is your view on delivering Whata Rau?

- ☒ Do not build Whata Rau. Carry out necessary repairs to the existing Leeston Library & Service Centre building so that it can continue to be used for a limited time instead.
- ☐ Build Whata Rau as agreed in our 2021-31 Long-Term Plan, using the design already completed to meet the needs identified by the community.
- ☐ Build Whata Rau with additional sports courts and/or bigger community meeting spaces.
- ☐ Build Whata Rau, using a more standard, simplified design with the same floor space and cultural narrative, but without the same flexibility to meet the needs already identified.

Any other comments?

The region can't afford another new and expensive facility that will incur huge costs for its ongoing operation, certainly not justified for a small local population to foot the expensive bills for a white elephant.

3

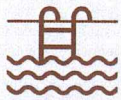

What is your view on delivering a new sports and recreation facility for Malvern?

- ☒ Do not build a community recreation and sports facility at Darfield.
- ☐ Build a community recreation and sports facility at Darfield that includes one indoor court.
- ☐ Build a community recreation and sports facility at Darfield that includes two indoor courts.

Any other comments?

Darfield is only a short distance from the central hub of Rolleston with impressive sporting facilities that Darfield residents can use and enjoy. Not justified to build new facilities that will incur huge ongoing costs for operation and maintenance, when we consider the other side of equation of the source of revenue which comes from ever more increasing rates that residents can't afford.

Matters for Community Guidance

Sheffield Pool

The Sheffield Memorial Pool is used by less people than our other community pools and is 10 minutes' drive from the newly upgraded Darfield Pool. The pool will cost \$1 million to keep open or \$290,000 to close. We're proposing to close the pool.

Do you support the closure of Sheffield Pool?

☐ Yes

☒ No

*It has historical value
should consider fund-
raising by the locals
for ongoing operation*

Economic Development

We're proposing to play a more active role in our district's economic development. We have budgeted \$9 million over 10 years to support the Economic Development Strategy we have co-design with Selwyn businesses.

Do you support the continued development of an economic development strategy?

☐ Yes

☒ No

*not until we know
the plan & the ROI*

Digital Solutions

We are proposing to explore the most effective technologies that could assist us to do our best work for the community.

We've budgeted \$1.3million a year to do this, with the costs to be reconfirmed through each annual plan as the work progresses.

Do you support the Council investing in better technology solutions to improve our services to the community?

☒ Yes

☐ No

*IT is the future
and used effectively,
can pave the way
to improving services*

Policies

What is your view on the proposed changes to the Significance and Engagement Policy and financial policies outlined on pages 54-55 of the consultation document?

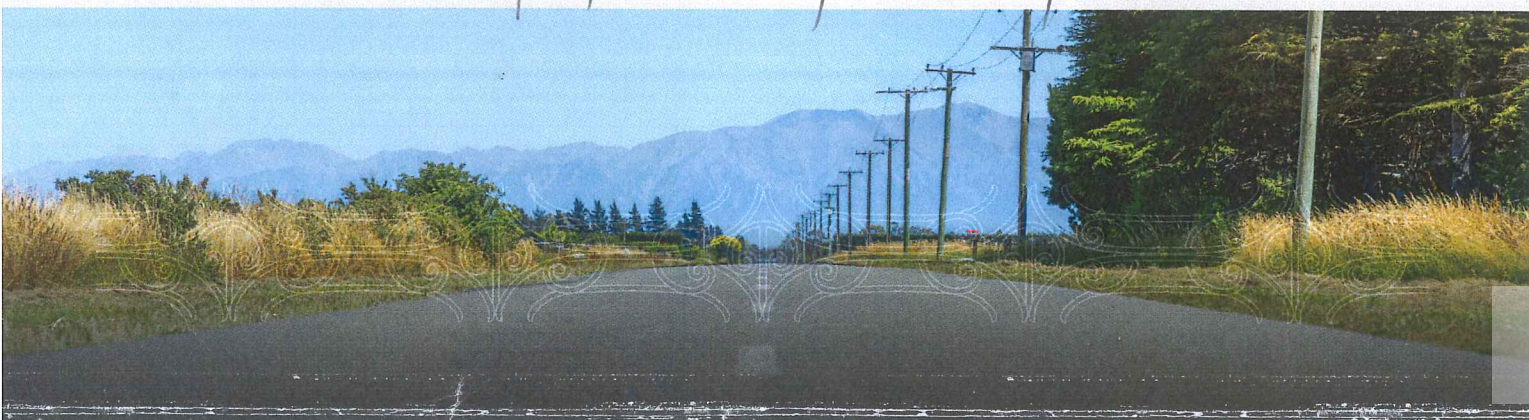

*If it is required by law, then a
tick from me.*

Other comments?

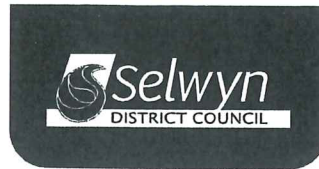

You can provide comments on any other matters in our draft Long-Term Plan, including the projects in the Keeping Your Community Informed section on pages 44-51 of the consultation document.

*One way to keep the community informed
and engaged is to have an effective
governance structure that provides
a link between the community and the
Council. This is to ensure the community
has a voice through their elected
representatives, hence the need to keep
McLaren Community Board which plays
a crucial role of taking on board
the concerns of the community and
liaises with the Council to arrive at
satisfactory outcomes.*

*In fact, there should be more community
boards in Selwyn to serve the interests
of the community.*

Sheffield Pool needs to
remain open. Regardless
of Darfield being 10 mins away.
The logistics of getting there and
getting pool time mean many
children will miss the opportunity
of learning to swim. If Sheffield
could run on a key basis it
would be used more as present
opening hours do not suit many
people.

Sheffield Pool - It was built as an RSA pool for the local schools and community to use. The pool is an important asset as it is safer than using the local rivers and allows for much less pollution and climate change than parents driving all the way to Darfield's pool. It also would be an important contribution to helping put out any major fires (which could occur) if it was available for helicopters to access. Please keep it available for us to use. The ratepayers contribute to keep ALL pools open
