Our Big Decisions

What is your view on building three new Park and Ride facilities in Lincoln and Rolleston and upgrading bus stops?

- ☐ Only carry out the work if the Council receives co-funding from NZTA Waka Kotahi.
- ☐ Carry out the work regardless of co-funding.
- ☐ Delay the work until the next Long-Term Plan when funding options might be clearer.

Any other comments?

What is your view on delivering Whata Rau?

- ☐ Do not build Whata Rau. Carry out necessary repairs to the existing Leeston Library & Service Centre building so that it can continue to be used for a limited time instead.
- ☐ Build Whata Rau as agreed in our 2021-31 Long-Term Plan, using the design already completed to meet the needs identified by the community.
- ☐ Build Whata Rau with additional sports courts and/or bigger community meeting spaces.
- ☐ Build Whata Rau, using a more standard, simplified design with the same floor space and cultural narrative, but without the same flexibility to meet the needs already identified.

Any other comments?

What is your view on upgrading Leeston Park?

- ☐ Do nothing. Only carry out routine maintenance to replace old and unsafe items.
- ☐ Extend the playing fields and upgrade the car park playground equipment, footpaths, toilets, lighting and irrigation.
- ☐ Carry out the full Leeston Park Master Plan over 15 years.

Any other comments?

What is your view on delivering a new sports and recreation facility for Malvern?

- ☐ Do not build a community recreation and sports facility at Darfield.
- ☐ Build a community recreation and sports facility at Darfield that includes one indoor court.
- ☒ Build a community recreation and sports facility at Darfield that includes two indoor courts.

Leeston Day Club.

I would like to see the fridge and stove transferred from the Leeston Community Room to the new facility proposed in plan. Would this keep the costs down? Please keep Leeston Day club in mind when making decisions, we have used this facility for 15 years.
